Mr. Elwyn offered the following:

Whereas, it appears by the certificate of Clarence L. Howland, Chairman of the Board of Assessors of the Town of Woodstock, that the land tax assessment made against the property of L. Burnett appearing on page 3, line 28, of the tax and assessment roll of the Town of Woodstock for the year 1929, described therein as follows: "Located at Zena, Lots 6-7-19, 3 mile class, 124.7 acres," upon which the valuation thereof was fixed at $500.00, and a land tax thereupon in the sum of $28.62, is illegal and void for the reason that the said assessment is in fact a double assessment; and said lot number 19 being owned by the Estate of S. D. Coykendall and the remaining lots being owned by George B. Hung, Jr., and are so assessed on the assessment roll of the Town of Woodstock; and

Whereas, said real property was sold under said description at the tax sale held in and for the County of Ulster on the 10th day of September, 1930, to Robert F. Browning, Hurley, N. Y.

Now, Therefore, Resolved, that the County Treasurer of the County of Ulster be, and he hereby is, authorized to refund to said Robert F. Browning the sum of $28.62, being the sum bid for said property, upon the surrender by the said Robert F. Browning to the County Treasurer of the County of Ulster of the certificate of sale issued by said County Treasurer; and moved its adoption.

TOWN OF NEW PALTZ
OFFICE OF THE TOWN CLERK
NEW PALTZ, NEW YORK

April 1st, 1930.

To the Board of Supervisors, Kingston, N. Y.

Gentlemen:

At a meeting of the Town Board held March 31st, 1930, Mr. Fred DuBois was appointed Supervisor to fill out the unexpired term of Eugene Van Wagenen.

Yours respectfully,
D. G. LAWRENCE,
Town Clerk.

ULSTER COUNTY COMMITTEE ON TUBERCULOSIS AND PUBLIC HEALTH OF THE STATE CHARITIES AID ASSOCIATION
EXECUTIVE COUNCIL

HON. JOSEPH M. FOWLER, President
DR. MARY GAGE DAY, Secretary
MR. CHARLES SNYDER, Treasurer

Kingston, N. Y., May 5th, 1930.

To the Board of Supervisors,
Hon. Henry R. DeWitt, Clerk.

Gentlemen:

It is with great pleasure that we transmit the attached most generous and timely offer. A nurses' residence adjacent to the new Tuberculosis Hospital will add markedly to the efficiency of the hospital program. It will not only release several rooms in the main building to use by patients but it will provide living quarters, rest and recreation rooms for the nurses which will add materially to the attractiveness of the nursing service and attractive surroundings make for greater efficiency in that service. Patients, nurses and all interested in the tuberculosis work will be greatly indebted and grateful to Mrs. Washburn.

The local committee feels also that this gift substantiates their repeated assurance to the Board that there were a number of public spirited and generous citizens whose interest in the work and whose approval of the action of the County in building the new hospital would be manifested by providing equipment, furnishings and accessories.

We respectfully request such action by the Board of Supervisors as will make possible the prompt acceptance of Mrs. Washburn's munificient offer.

Very truly yours,

FREDERICK W. HOLCOMB,
For Ulster Co. Medical Society
and Chairman Hospital Com.
JOS. M. FOWLER,
President Tuberculosis Com.

Kingston, N. Y., April 22, 1930.

To Chairman of Committee on Prevention
of Tuberculosis of Ulster County, and

Frederick W. Holcomb, M. D.,
for Ulster County Medical Society,
Kingston, N. Y.

Gentlemen:

It has come to my attention that present plans for the Ulster County Tuberculosis Hospital make no provision for a nurses' home; I understand that a home is a necessary adjunct to such an institution. For some time I have been considering a memorial to my father, William Hutton, whose fine character and acumen were well known to this community. I have decided that a nurses' home for the hospital now in course of construction would fittingly represent those kindly and humane qualities which were also familiar to his contemporaries; and I hereby offer to provide funds for such a home in the amount of eighteen thousand dollars.

The only condition attached to my offer is that the building shall be known as the William Hutton Memorial Home for Nurses; and that a simple bronze tablet to this effect shall be inserted in a wall of the building in an appropriate location. I should provide the tablet, for which I should wish to reserve the choice of design and inscription to appear thereon.

Very truly yours,

ELEANOR HUTTON WASHBURN.

COUNTY OF ULSTER
OFFICE OF COUNTY SUPERINTENDENT OF HIGHWAYS
74 JOHN STREET, KINGSTON, N. Y.

August 29, 1930.

Mr. Henry R. DeWitt,
Clerk of the Board of Supervisors,
Court House, Kingston, N. Y.

Dear Sir:

Section 53-C of the Highway Law provides for State Aid for Snow Removal on State and County Highways and in order that we might receive the benefit, it will be necessary for the Board of Supervisors to pass a resolution stating that public interest demands the Snow Removal from the State and County Highways of the County and requesting that such Snow Removal be accomplished at the joint expense of the State and County, and it is necessary that the resolution shall specifically designate the State and County Highways from which snow is sought to be removed and the number of miles on each highway. It also provides that in no case shall the amount to be paid by the State exceed $50.00 per mile for such purpose.

It is suggested that this matter be laid before the Supervisors at a meeting to be held prior to October 1st, 1930, for the purpose of requesting early action on the part of the State in reference to the Snow Removal.

It is further suggested that in the resolution that the following numbered and named State and County highways be designated:

STATE OF NEW YORK
DEPARTMENT OF
TAXATION AND FINANCE
ALBANY

October 13, 1930.

Mr. Henry R. DeWitt,
Clerk, Board of Supervisors,
Kingston, New York.

My dear Mr. DeWitt:

While many other matters are of extreme importance in relation to taxation, none is of more importance than the proper equalization of assessed valuations.

The State Tax Commission is required by law to make investigations and to establish rates of assessment for equalization purposes for each tax district of the State. In Counties, Boards of Supervisors or equalization commissions are also required to establish such rates. For years, it has been the policy of the Commission to furnish to Boards of Supervisors —to County Equalization Commissions in those Counties having such Commissions—the rates established by this Commission for the tax district in each particular County.

For this year the Commission has fixed for the tax districts in your County the following rates:

City of Kingston 69%

Town of Denning	50%	Town of Olive	82%
Town of Esopus	32%	Town of Plattekill	28%
Town of Gardiner	44%	Town of Rochester	37%
Town of Hardenbergh	40%	Town of Rosendale	38%
Town of Hurley	75%	Town of Saugerties	58%
Town of Kingston	49%	Town of Shandaken	62%
Town of Lloyd	52%	Town of Shawangunk	80%
Town of Marbletown	80%	Town of Ulster	28%
Town of Marlborough	30%	Town of Wawarsing	20%
Town of New Paltz	50%	Town of Woodstock	64%

Necessarily, these rates were established before the 1930 assessment rolls were completed—at least, this is true of all Towns and most Cities and Villages. If in 1930, material changes have been made in the basis of assessment in any Town, Village or City, knowledge of which was not brought to the attention of this Commission before these rates were fixed, such changes should be considered by your Board of Supervisors, or by the Equalization Commission of your County, before your County equalization table is compiled for this year.

For the past three or four years, this Commission has endeavored to cooperate with Boards of Supervisors and Equalization Commissions in establishing rates for equalization purposes which this Commission may use and which localities may employ. The Commission believes that inasmuch as State and local authorities are undertaking to ascertain the same set of facts, better results will be obtained if we work together, combining data and information, as it were.

In three-quarters of the Counties of the State, this Commission and local authorities are in exact or substantial accord with respect to rates. It would be pleasing to the Commission if it might establish that relation with your Board of Supervisors. The Commission will be pleased to confer with the Board of Supervisors of Ulster County in relation to the 1930 table and it is requested that you present this matter to your Board of Supervisors and then write us their wishes or desires regarding a conference.

Very truly yours,

STATE TAX COMMISSION,
By DANIEL R. SPRATT,
Deputy Commissioner.

DEPARTMENT OF SOCIAL WELFARE
STATE BOARD OF SOCIAL WELFARE
ALBANY

Know All Men by These Presents:

At a meeting of the State Board of Charities, designated the State Board of Social Welfare, held on the eighteenth day of November, 1930, due inquiry and investigation having been made, the following resolution was adopted:

Resolved, That in accordance with the provisions of subdivision forty-four of Section twelve of the County Law, the State Board of Social Welfare hereby certifies that the Veterans' Memorial Hospital, Ellenville, N. Y., has complied with all the rules of the Board applicable to the corporation and that the Board approves of an application to the Board of Supervisors of Ulster County for an appropriation of Two Thousand Five Hundred Dollars for the aid and relief of the poor permanently or temporarily within the County.

(SEAL)

IN WITNESS WHEREOF, the State Board of Social Welfare has caused these presents to be signed in accordance with the provisions of the statutes and its By-Laws, and the official seal of the Board and of the Department to be hereunto affixed, this 18th day of November, 1930.

CHARLES H. JOHNSON,
Commissioner of Social Welfare,

Ellenville, N. Y., November, 1930.

To the Board of Supervisors of Ulster County.

Application of Veterans' Memorial Hospital of Ellenville to the Board of Supervisors of the County of Ulster for an appropriation in the amount of Two Thousand Five Hundred Dollars ($2,500.00) under Section 12, subdivision 44 of the County Law of the State of New York.

The Veterans' Memorial Hospital of the Village of Ellenville, hereby makes application to the Board of Supervisors of the County of Ulster for an appropriation in the amount of Two Thousand Five Hundred Dollars ($2,500.00) for the aid and relief of poor persons permanently or temporarily within the County of Ulster, and alleges:

That your petitioner is a membership organization, duly organized and existing under and by virtue of the laws of the State of New York. That its certificate of incorporation was duly filed in the office of the Clerk of the County of Ulster on the 18th day of September, 1923.

That the corporate purposes of the Veterans' Memorial Hospital as expressed in its certificate of incorporation are as follows: "The objects for which the corporation is to be formed are to purchase, erect, establish and maintain a hospital and dispensary."

Veterans' Memorial Hospital is a rural hospital serving a territory about fifteen miles square, in the southern part of Ulster County. This territory is very thinly settled with a normal population of about six or seven thousand inhabitants in the winter season and a much greater population in the summer season, due to the fact that there is a great influx of summer boarders from New York City in this territory during the summer months.

There are many poor people within this territory who from time to time require the services of the hospital, and cannot in a great many instances pay anything for the accomodations and care and treatment which they receive, and there are others who require the services of the Institution and can only pay a small portion of the cost of their care and treatment in such an institution. In addition to this, there are many summer boarders who during their vacation in the summer become sick and disabled and are brought to the institution for care and treatment, and are unable to pay either in full or in part for the services which are rendered to them, and in as much as Veterans' Memorial Hospital is a charitable institution it has never turned away anyone who was in need of its services, regardless of whether or not such an individual could make payment of all or any part of the costs of care and treatment rendered. For this reason the institution hereby requests that the Board of Supervisors of the County of Ulster appropriate the sum of Two Thousand Five Hundred Dollars ($2,500.00) for the purpose of said hospital in caring for such poor and indigent patients.

VETERANS' MEMORIAL HOSPITAL,
By M. Eugene Clark, President

State of New York, County of Ulster, ss.:

Eugene Clark who, being by me duly sworn did depose and say that he resides in the Village of Ellenvile, Ulster County, New York, that he is the President of Veterans' Memorial Hospital, the corporation described in and which executed the above Instrument; that he knows the seal of said corporation; that the seal affixed to said Instrument is such corporate seal; that it was so affixed by order of the Board of Directors of said corporation, and that he signed his name thereto by like order.

ROBERT G. GROVES
COUNSELOR AT LAW
Warren Building, 260 Fair Street

Kingston, N. Y., November 26th, 1930.

To the Honorable Board of Supervisors,
of the County of Ulster.

Gentlemen:

During the trial of the claim of Charles B. Wright for land taking on the Wallkill-Ireland Corners County Highway, Mr. Lent, the attorney for the claimants, raised the contention that the maps in this claim did not describe all of the property which was acquired by the County and further that the maps, which were filed, were inaccurate and indefinite.

Mr. Lent, accordingly, made a motion before the County Court to have the description in this case amended and have the matter tried before the same commission which was appointed to hear the claims on this road. This motion and the attempt to enlarge the taking area beyond that as set forth in the maps was opposed by the writer as County Attorney. County Judge Fowler recently handed down a memorandum granting the right to amend the description and an order to that effect has been entered by Mr. Lent.

In my opinion, the Court had no power to make such an order and I would recommend that your Honorable Body authorize the County Attorney to take an appeal for and on behalf of the County of Ulster to the Appellate Division of the Supreme Court in the 3rd Department from the order as made by Judge Fowler.

All of which is respectfully submitted.

REPORTS OF SPECIAL COMMITTEES.

1930.

REPORT OF SPECIAL COMMITTEE ON "HIGH FALLS FIRE DISTRICT"

To the Honorable Board of Supervisors of the County of Ulster:

Gentlemen:

We, the undersigned, Frederick Davis, Chairman, Oliver Keator and Alfred Markle, composing the Special Committee appointed by the Chairman of the Board of Supervisors of the County of Ulster by and under the authority of a resolution duly adopted by the said Board of Supervisors on the 10th day of January, 1930 for the purpose of holding a hearing upon the petition of certain residents of the Towns of Rosendale and Marbletown, being residents of the proposed fire district to be known as the "High Falls Fire District," do respectfully report as follows:

1. That pursuant to the provisions of law a public notice of a public hearing upon the said petition to establish a fire district, to be known as the "High Falls Fire District," was duly given by publication in The Kingston Daily Freeman of a copy of the annexed notice and by posting five copies of said notice in each of the Towns of Rosendale and Marbletown at least ten (10) days before said public hearing and that pursuant to said public notice we did hold a public hearing at Krom's Hall in the Hamlet of High Falls, Ulster County, N. Y., on the 5th day of February, 1930, at 8:00 o'clock P. M., and that the said hearing was attended by twelve (12) persons who are taxpayers within the proposed fire district and whose names are hereunto annexed and made a part hereof, and all of whom are the owners of taxable real property within the said proposed "High Falls Fire District," and we did thereupon give all of said persons present an opportunity to be heard and upon a vote being taken by calling the name of each of said persons and recording their vote with the result that eight (8) of said votes were case in favor of the adoption and creation of the said proposed "High Falls Fire District" and four (4) were recorded in the negative, accordingly, we do further report that a majority of the owners of taxable property within the said proposed fire district are in favor of the creation of said fire district.

2. That the creation of said fire district will be beneficial to the residents of said proposed fire district in that it will afford a more efficient and greater fire protection for the property of the residents of said district.

3. That it will reduce the hazard of said property within the district being destroyed by fire.

4. That eventually in the opinion of your Special Committee the Fire Insurance rates will be reduced by reason of the fire protection afforded to the property of the fire district and that by reason thereof the property owners will receive substantial benefits.

5. That the health and safety of the residents of said proposed fire district and of their taxable property will be substantially promoted by said fire district.

Wherefore, your Special Committee hereby respectfully recommends to the said Board of Supervisors that the petition of the said residents of the Towns of Rosendale and Marbletown be granted and that the necessary action be taken by the said Board of Supervisors for the creation of the said proposed fire district to be known as the "High Falls Fire District."

All of which is respectfully submitted.

PLUMBING WORK

		Unit Pipe Price
L. F. Bannon, Plumbing, Heating & Contracting Co., Kingston, N. Y.	$ 21,988.00	$ 2.18
Edward D. Coffey, Kingston, N. Y.	24,100.00	2.30
Wieber & Walter, Kingston, N. Y.	25,350.00	1.75

Your Committee tabulated said bids and has consulted with the architects, Teller and Halverson, in reference thereto. After giving careful consideration to all of the bids, your Committee respectfully recommends as follows:

That the general contract be awarded to C. M. McLean & Sons, Inc., for the sum of $164,000.00, and that the bids of all other contractors for the general contract be rejected.

That L. F. Bannon Plumbing, Heating & Contracting Co., be awarded the contract for the heating, roof and metal work for the sum of $27,506.00, which is the amount of his bid less the alternate by way of deduction of $6,482.00 for a tin roof instead of a copper roof, and we further recommend that the bids of Edward D. Coffey and of Wieber & Walter be rejected.

That the contract for the plumbing work be awarded to L. F. Bannon, Plumbing Heating & Contracting Co., for the sum of $21,988.00, and and that the bids of Edward D. Coffey and of Wieber & Walter be rejected.

In making the above recommendations, your Committee has consulted with the architects, Teller & Halverson, and believe that the best interests of the County will be served by carrying out the above recommendations.

Your Committee further calls your attention to the substantial savings accruing to the County under the bids submitted due to the revision of the specifications which in no wise will hamper the efficiency of the hospital in any way nor cut down its floor space.

It is also recommended that contractors, to whom the contracts may be awarded, be requested to employ local labor and to purchase construction materials locally to the end that labor in this locality may receive the benefit of such employment and material men the advantage of supplying materials.

All of which is respectfully submitted.

REPORT OF COMMITTEE ON TUBERCULOSIS HOSPITAL AND LABORATORY.

To: The Honorable Board of Supervisors of
the County of Ulster.

Gentlemen:

Your Committee on Tuberculosis Hospital and Laboratory herewith submits the following report:

Your Committee was requested by the architects to take up the matter of providing an electric transmission line from the Boulevard to the hospital site, including the pump house, for the purpose of transmitting current for the operation of the pump house and the building operations now being conducted by the contractor in connection with the construction of the hospital.

We find that the Electric Company is not obligated to furnish service wires except for a distance of one hundred (100) feet from its present pole line on the Boulevard and that the duty rests upon the County to construct the line from such point past the pump house to a point near the site of the new hospital. This line is necessary for the operations of the contractor in connection with the construction work.

The contracts provide that the plumbing contractor shall furnish the pump to supply water to the general contractor and that the general contractor is obligated to pay for such electricity as may be used, but there is no obligation on the part of the contractors to erect a transmission line.

Your Committee is securing bids for the construction of the electric transmission line as set forth above and would respectfully request your Honorable Body to grant authority to said committee to award a contract for the construction of said transmission line for such price as may seem fair and proper to the committee.

Your Committee further reports that the general contractor has practically completed the excavation preparatory to commencement of the foundation for the hospital; all of which is respectfully submitted.

Dated, June 30, 1930.

REPORT OF SPECIAL COMMITTEE ON CLINTONDALE FIRE DISTRICT.

To the Honorable Board of Supervisors of Ulster County:

Gentlemen:

We, the undersigned, Nathan Williams, Chairman, Luther Dusinberre and Peter E. Wilkin, composing the Special Committee appointed by the Chairman of the Board of Supervisors of the County of Ulster by and under the authority of a resolution duly adopted by the said Board of Supervisors on the 17th day of March, 1930, for the purpose of holding a hearing upon the petition of certain residents of the Towns of Lloyd and Plattekill, being residents of the proposed fire district to be known as the "Clintondale Fire District", do respectfully report as follows:

1. That pursuant to the provisions of law a public notice of a public hearing upon the said petition to establish a fire district, to be known as the "Clintondale Fire District", was duly given by publication in the Kingston Daily Freeman of a copy of the annexed notice and by posting six copies of said notice in each of the Towns of Lloyd and Plattekill at least ten (10) days before said public hearing and that pursuant to said public notice we did hold a public hearing at the Firemens' Hall in Clintondale, in the Town of Plattekill, Ulster County, N. Y., on the 10th day of April, 1930, at 2:00 o'clock P. M., and that the said hearing was attended by fourteen (14) persons who are taxpayers within the proposed fire district and whose names are hereunto annexed and made a part hereof, and all of whom are the owners of taxable real property within the said proposed "Clintondale Fire District", and we did thereupon give all of said persons present an opportunity to be heard and upon a vote being taken by calling the name of each of said persons

and recording their vote with the result that fourteen (14) of said votes were cast in favor of the adoption and creation of the said proposed "Clintondale Fire District" and none were recorded in the negative, accordingly, we do further report that a majority of the owners of taxable property within the said proposed fire district are in favor of the creation of said fire district.

2. That the creation of said fire district will be beneficial to the residents of said proposed fire district in that it will afford a more efficient and greater fire protection for the property of the residents of said district.

3. That it will reduce the hazard of said property within the district being destroyed by fire.

4. That eventually in the opinion of your Special Committee the Fire Insurance rates will be reduced by reason of the fire protection afforded to the property of the fire district and that by reason thereof the property owners will receive subtantial benefits.

5. That the health and safety of the residents of said proposed fire district and of their taxable property will be subtantially promoted by said fire district.

Wherefore, your Special Committee hereby respectfully recommends to the said Board of Supervisors that the petition of the said residents of the Towns of Lloyd and Plattekill be granted and that the necessary action be taken by the said Board of Supervisors for the creation of the said proposed fire district to be known as the "Clintondale Fire District."

All of which is repectfully submitted.

Dated, June 30th, 1930.

NATHAN D. WILLIAMS,
Chairman of Special Committee.
LUTHER DUSINBERE,
PETER E. WILKIN,

W. W. MC ELHONE,
County Commissioner of Public Welfare.

Kingston, N. Y., November 29, 1930.

REPORT OF THE BOARD OF ELECTIONS OF THE COUNTY OF ULSTER, FOR THE YEAR 1929.

Office of the Board of Elections, Ulster County.

Kingston, N. Y., January 31st, 1930.

To:
The Secretary of State,
Board of Supervisors of Ulster County.

Gentlemen:

In accordance with the provisions of Section 34 of the Election Law, the Board of Elections of Ulster County respectfully submits its report for the year 1929.

It is not anticipated that the work of your Board will show any decrease for the present, as the legislature, year by year, enacts new legislation to remove the remaining hardships and adds additional conveniences, for the benefit of the voter.

The compilation and printing of the enrollment for the year 1928-29 was completed during the early part of the year. The result of the tabulation as submitted to you in our last report, was as follows: Republican, twenty thousand four hundred and nine; Democratic, nine thousand three hundred and eight; Socialist, sixty-five. Total twenty-nine thousand seven hundred and eighty-two. The enrollment was compiled by election districts and printed pamphlet copies distributed in sufficient numbers to the different county committees, and separate copies furnished to those making application for the same. A certified copy of the enrollment of the entire county was transmitted to the Secretary of State and one such copy delivered to the chairman of the proper county committee of each party. Your Board also transmitted a certified copy of said enrollment to the chairman of the state committee of each party maintaining a permanent headquarters as provided by the Election Law.

PRIMARY ELECTION.

The official Fall Primary was held throughout the County of Ulster on September 17, 1929. Due notice of said Primary election and a list of the polling places within the City of Kingston were duly published by your Board as required by statute. Petitions for places upon the official primary ballot were received and examined by your Board and notices mailed to all persons designated for public office. Official and Sample Ballots were also prepared and purchased in numbers sufficient for all election districts throughout the County. These, together with all other necessary and miscellaneous supplies, were duly delivered by your Board to the various Town Clerks for use at said Primary Election.

Your Board canvassed the return of said Primary Election, which showed a high Democratic vote of six hundred and sixty-two, being that for the office of Sheriff, and a high Republican vote of one thousand two hundred and thirty-one, being that for Coroner.

The total cost of the aforesaid Primary Election as conducted through this office was $2,320.15.

CENTRAL REGISTRATION.

Central Registration was held during the year 1929, beginning June first, up to and including September tenth. While the period was extended approximately one month, the number of applications was less than that for the year preceding. By an amendment to the statute, applicants for central registration were also permitted during the past year to apply for absentee voters ballots at the time of registration by the Central Registration Board, and of the total of forty-two who were registered in 1929 by said Board, thirty-seven of these made application for absentee voters ballots.

REGISTRATION AND VOTING CERTIFICATES.

During the summer months numerous requests were made by voters for certificates showing their registration and voting record. These certificates were used, as your Board is informed, by persons visiting the Dominion of Canada, for the purpose of proving the citizenship of the holder upon his re-entry into the United States. Your Board issued these certificates to all applicants without charge, although considerable time was necessary in checking the records and in the preparation of said certificates.

THE REGISTRATION OF VOTERS.

Pursuant to law, Personal Registration was held in the City of Kingston on October 11, 12, 18 and 19, and outside of said city on October 12 and 19.

Five Constitutional Amendments were submitted to the voters at the last General Election, and your Board purchased thirty thousand copies of the context of such amendments to be distributed to the voters, as provided by statute. Your Board also procured other supplies and equipment necessary for the proper conduct of said registration.

The registration for the year 1929 showed a loss of one thousand eight hundred and twenty from the preceding year. This was brought about by a decrease of one thousand eight hundred and sixty-nine in the City of Kingston and a slight increase of forty-nine outside of said city. Personal Registration being not required outside the confines of the City of Kingston the registration in such districts shows but little change from year to year.

The total registration for the year 1929 as tabulated by your Board showed a total of forty-eight thousand six hundred and eighty-three, of which thirteen thousand four hundred and ten was personal and thirty-five thousand two hundred and seventy-three non-personal.

Your Board in the preparation and conduction of said registration expended the sum of $729.17.

ABSENTEE VOTERS.

Your Board prepared the necessary application blanks for use by voters desiring to vote by mail and caused these to be distributed in sufficient numbers to the various political organizations and to all those applying at our office for the same.

The annual receipts of such large numbers of applications for Absentee Voters Ballots is a source of annoyance to your Board. Designed primarily to assist those voters whose business or vocation necessitates their absence from the election district on the day of General Election, such as traveling men, railroad men, students and the like, it has been sought to expand the law to include almost all classes and kinds of voters.

These voters, particularly those outside of the City of Kingston, are, to a great extent, what might be considered as transient residents, viz.; those who spend but a part of the year, usually the summer months in the election district. It is doubtful if these voters would be particularly interested in voting in the locality where they spend but so short a time were it not for a special effort made to interest them.

No means is provided whereby your Board may make a proper investigation of these applications. This, together with the limited time in which your Board has to pass upon said applications, makes it practically necessary to pass or refuse the application upon the facts as stated therein.

Under the prevailing circumstances no relief can be anticipated. We believe however, that legislation of a more definite character, the proper means for investigation by your Board, and less encouragement on the part of both candidates and organizations would have a tendency to somewhat correct this condition.

Your Board received eight hundred and twenty-six applications for Absentee Voters Ballots in 1929, of which eight hundred and thirteen were accepted and thirteen rejected.

Your Board also caused to be prepared the necessary Absentee Voters Ballots and caused the same to be mailed to all those whose applications had been accepted and, of the total sent out by your Board, five hundred and eighty-two were returned to this office to be distributed by your Board to the proper districts, for canvass on General Election Day.

GENERAL ELECTION.

The General Election was held throughout the County of Ulster on November 5, 1929 and your Board duly caused notice thereof to be published in accordance with the provisions of the Election Law. Lists of nominations were also prepared by your Board and the same duly published and posted in pursuance to the statute.

Your Board, in order to properly carry on the General Election, prepared and furnished twenty-six thousand three-hundred and ten Official and two thousand six hundred and seventy-five Sample Ballots and an equal number of Official and Sample Constitutional Amendment Ballots, as well as all other necessary supplies and equipment for the proper conduct of said General Election, and caused the same to be delivered at the proper time, to the proper Town Clerks throughout the county.

Your Board also procured the Ballot strips and other necessary supplies to equip all districts in which voting machines are used.

The whole cost of conducting this General Election, as carried on by your Board, was $6,254.43.

Subsequent to the General Election, your Board was in attendance at the official canvass by the Board of County Canvassers, who met, pursuant to statute, on November 12, 1929 at 12 o'clock noon and completed its canvass on November 13, 1929 at 7:30 P. M. The result of the General Election as canvassed by said Board was duly certified by your Board to the Secretary of State, and your Board, in accordance with such result, also issued its certificates of determination to all county officers determined by the said Canvassing Board to have been elected.

VOTING MACHINES.

The number of voting machine districts remains the same as that of last year. Unless a change be brought about through legislative enactment, the probabilities are that it will be some time before our entire county wil be operated under a uniform system of voting.

ENROLLMENT OF VOTERS.

Contrary to our practice, the Board is unable at this time, to furnish you with the result of the tabulation of the enrollment for the year 1929-30. This is primarily due to the fact that the work this year was not started as promptly as usual, owing to the uncertainty of the method to be employed. After several years under the old practice, your Board, in co-operation with your Board of Supervisors decided to discard the old method, and to return this work to our office to be performed by our regular office force. This work is now being compiled by these employees. That this method will result in a greater degree of efficiency and prove far more beneficial, will, in our opinion, be best observed by those who have occasion to use this work.

The enrollment will be finished in due time to comply with the statute and upon the completion thereof, a tabulated statement will be furnished you as a supplement to this report.

RECEIPTS.

The revenue of this office for the year 1929 amounted to $12.73. This was derived through the sale of copies of the enrollment and of waste paper. All moneys so received were turned over to the County Treasurer and receipts taken therefore.

DISBURSEMENTS.

The expenses of your Board, as outlined below, show a decrease of $1,762.16 for the year 1929. This was largely brought about by the saving employed in the compilation of the enrollment. With the necessary supplies of your Board remaining rather constant and with the prices thereof practically established and fixed, it can be seen that the expenses of your Board can not show any material reduction for the present. However, by the use of practical methods, the elimination of waste, wherever possible, and by confining purchases within the requirements of the law, your Board has endeavored to keep its expenses at the minimum. A summary of expenses incurred by this office for the year 1929 follows:

Fall Primary	$ 2,320.15
Registration	729.17
General Election	6,254.43
Extra Clerk Hire	535.00
Printing of Enrollment (Estimated)	3,000.00
Total	$ 12,838.75

All of which is respectfully submitted.

Respectfully,

J. CHARLES SNYDER,
HARRY D. SLEIGHT,
Commissioners of Election,
Ulster County.

SUPPLEMENTAL REPORT OF THE BOARD OF ELECTIONS OF THE COUNTY OF ULSTER FOR THE YEAR 1929.

OFFICE OF THE BOARD OF ELECTIONS, ULSTER COUNTY.

Kingston, N. Y., March 3, 1930.

To:

The Secretary of State,
Board of Supervisors of Ulster County,

Gentlemen:

In compliance with the statement contained in our annual report for the year 1929, heretofore filed with you, we herewith respectfully submit the following report of the enrollment of the County of Ulster for the year 1929-1930 as a supplement to said report.

The total enrollment of the County of Ulster for the year 1929-1930 is 25,991, of which 8,253 is Democratic, 17,680 Republican, and 58 Socialist. This is a decrease of 3,791 from that of the year previous, due, probably, to some extent to the falling off of the registration in the City of Kingston for the year 1929.

The printing of the enrollment is now in the hands of the printers and is expected to be finished and ready for distribution in the near future.

A special feature of this years printed enrollment, and one which we believe will be appreciated by those who have occasion to use the lists most, is the fact that the enrolled voters of all political parties have been separated.

Attached hereto and made a part of this report is a tabulated statement by election districts of the enrollment of the County of Ulster for the year 1929-1930.

Respectfully yours,

J. CHARLES SNYDER,
HARRY D. SLEIGHT,
Commissioners of Election,
Ulster County.

REPORT OF THE ULSTER COUNTY TUBERCULOSIS HOSPITAL FOR THE FISCAL YEAR ENDING OCTOBER 31, 1930.

To the Board of Supervisors of Ulster County:

Gentlemen:

The Ulster County Tuberculosis Hospital completed on October 31, 1930, its twenty-first fiscal year with the following officers: Hon. Joseph M. Fowler, President of the Board of Managers, Dr. Mary Gage Day, Dr. Mark O'Meara, Mr. Edward Young, Dr. Raymond S. Crispell, Medical Superintendent and ex-officio, Secretary and Treasurer of the Board of Managers.

Clinical.

A total of 41 patients were given treatment during the year.

Patients in the Hospital November 1, 1929	21
Admissions during the year	20
Total under care	41
Transfers to other hospitals	1
Other discharges	14
Deaths	10
Total discharges and deaths	25
Remaining at close of year	16

The high rate of 10 deaths or 24% reflects the deplorable facts that patients are not hospitalized in Ulster County early in their disease, but are brought into the hospital in the terminal stages. Two of the deaths were within less than two weeks of admission. Only two of the 41 cases dealt with could be classified as incipient tuberculosis (early tuberculosis, the proper time for hospitalization.) These two cases were discharged as cured (arrested.) All of the other cases were moderately advanced, or far advanced, and considering this fact, it is commendable that 10 of the discharges were signed out as improved (quiescent,) able to go out and take their place in the world, and in most cases, able to make their livelihood. One case was discharged as unimproved and two of the cases admitted proved to be non-tubercular conditions.

The hospital has a capacity of 22 beds and can therefore potentially give 8030 hospital days treatment in a year. One can judge how nearly the hospital was running to its capacity limit by realizing that 6814 hospital days treatment were given. Most of the year the hospital was full and with a waiting list.

Number of patients by months was as follows:

January	647	July	504
February	569	August	438
March	662	September	462
April	651	October	483
May	579	November	646
June	498	December	675
Total			6814

The expense of carrying on the hospital by months was as follows:

November	$ 1,559.93	May	$ 1,575.92
December	1,501.88	June	1,572.26
January	1,553.51	July	1,785.55
February	1,540.67	August	1,427.76
March	1,489.65	September	1,289.66
April	1,640.48	October	1,319.08
Total			$ 18,256.35

Expense was divided as follows:

Salaries and wages	$ 9,387.19
Food, ice and water	5,791.97
Fuel, light and power	1,429.99
Medical and surgical supplies	767.71
Household supplies	275.54
Ordinary repairs	229.48
Insurance	108.17
Other maintenance expenses (telephone, association dues, compensation, etc.)	256.30
Total	$ 18,256.35

A total of 6814 hospital days at a total operating charge of $18,256.35 gives a $2.68 operating cost per diem per patient.

A budget of $17,500 toward maintenance was appropriated for the year by the Ulster County Board of Supervisors. There was an income from pay patients of $457.50, making a total maintenance income of $17,957.-

50. This was exceeded by a total operating cost of $18,256.35 by $298.85. But as a surplus of $856.57 was carried over from last year, the hospital is still operating on a surplus of $557.72.

In view of the probable abandonment of the present hosptial within the next year, as few as possible improvements and new equipment were purchased this year.

The drainage system installed in 1928 has proven very unsatisfactory and has been a constant source of expense. Considerable more expense would be necessary if the hospital is to be continued at the old site. The heating system has been merely patched up and will not serve another winter, if it lasts out the coming winter. Expensive repairs are needed for the water pump that pumps water to the hospital. New kitchen coal and gas ranges would be needed, and the buildings would need much repair work and painting if they were to be used much longer. But fortunately the prospect of opening the new Hospital on Golden Hill will make these expenses unnecessary.

Two great events occurred in the annals of tuberculosis work in this County during the past year. On March 17, 1930, contracts were awarded for the new hospital and work was soon thereafter started. The cornerstone of the new hospital was laid on October 18, 1930 and at the present writing progress on the new hospital is advancing rapidly, so that it will be ready for occupancy early in the fall of 1931.

This means that the hospital will be operating before the close of the next fiscal year ending October 31, 1931. Plans and policies for the administration of the new hospital and for the promotion of the new tuberculosis program in Ulster County are in order now.

The operating expense of the new 52 bed hospital will naturally be greater than for the present hospital. Overtures has been made by Greene County to contract for the care of their cases, thereby sharing the cost of maintenance. This matter should be looked into.

In order not to be burdened with the expense of taking care of tubercular patients from other parts coming to Ulster County to regain their health, the advisability of having a law such as several other mountain or resort counties have, requiring a five years residence before being eligible for public relief by hospitalization should be considered. In order to have this applicable to the new hospital from the very beginning, a measure to this effect would have to be introduced in the forthcoming meeting of the New York State legislature.

Sincere thanks are due to the interest and the benevolent attitude of the community toward the hospital in the past year, especially to the Ulster County Garden Club and to Burgevins for the flower-boxes and flower-beds so generously contributed as in previous years. Contributions of both articles and money, too numerous to be specifically mentioned here have been gratefully received. The Kingston City Laboratory has continued to render valuable service by doing all the necessary laboratory work free. The general hospitals of Kingston cooperated well with the Tuberculosis Hospital, and thanks are due to the Benedictine Hospital for taking care of several cases which needed surgical care, and to the Kingston Hospital which always rendered X-Ray service when called upon.

The community is looking eagerly forward to the opening of the new Hospital. Probably this will demand some later and extraordinary communications during the coming months from the administrator and the Board of Managers of the Tuberculosis Hospital.

Respectfully submitted,

RAYMOND S. CRISPELL,
Medical Superintendent,
Ulster County Tuberculosis Hospital.

REPORT OF WORK IN THE CHILDREN'S COURT OF ULSTER COUNTY.

December 3, 1930.

To the Board of Supervisors of Ulster County.

Gentlemen:

Hereinafter set forth is the report of the work in the Chilldren's Court covering the period beginning December 1st, 1929, and ending December 1st, 1930. During this period a total of 244 cases have been disposed of, involving 140 delinquent boys; 28 delinquent girls; 56 neglected boys and 52 neglected girls.

These cases are treated under two class headings. Formal cases are those in which a verified petition has been presented, summons issued, hearing held and judgment entered; while informal complaints of minor delinquencies and of neglect cases, wherein the conditions can be corrected by a letter of warning or a conference, are designated as informal cases.

The statistics of the year's work follow:

Formal Cases.

There were 111 formal cases presented during the year which involved 137 children. Of this number 100 were boys and 37 were girls. Of the 100 boys, 72 were delinquents and 28 were neglected. Of the 37 girls, 8 were charged with delinquencies and 28 were brought into court as neglected. A summary of the charges in the cases of the boys is as follows:

Delinquent Boys.

Charge	No. of Boys
Stealing or attempted stealing	20
Truancy	5
Ungovernable and beyond parental control	10
Act of carelessness or mischief	29
Injury to person	1
Unlawful entry	2
Violation of City Ordinance	2
Returned from probation	1
Running away from home	2
Total	72

Neglected Boys.

Abandonment	2
Improper home conditions	14
Insufficient parental care	2
Financial need	8
Question of custody	2
Total	28
Total number of boys involved	100

Delinquent Girls.

Charge	No. of Girls
Truancy	2
Ungovernable and beyond parental control	2
Act of carelessness or mischief	1
Moral delinquency	3
Total	8

Neglected Girls.

Abandonment	3
Improper home conditions	6
Financial need	17
Question of custody	3
Total	29

Total number of girls	37
Total number of boys	100
Total children involved	137

The analysis of the judgments of this Court in the above noted cases is as follows:

Disposition of Formal Cases.

Judgment	Boys	Girls
Restitution or reparation ordered	1	-
Dicharged with a warning	34	1
Placed on probation	16	2
Committed to private child placing agency	10	8
Committed to State Institution for Delinquents	10	1
Committed to State Institution for Physically Handicapped	--	6
Child returned home	6	3
Dismissed	12	5
Father ordered to support children	4	9
Ordered to report to clinic	4	2
Transportation to school provided	3	-
Totals	100	37

Informal Cases.

There were 133 informal cases which involved 68 boys and 20 girls charged with minor delinquencies; 28 boys and 23 girls said to have been neglected. These charges have been disposed of summarily, either by conference with the children and parents or by the writing of a letter of warning. All such complaints were minor in character, such as the use by these children of improper language, annoyance by children of older people or from tendency to do mischief. Most of the neglect cases were found to be the result of rumor and without foundation though some of them were adjusted by a warning to the parents.

The success of this work has been due in a large measure to the excellent co-operation given the Court by the County Agent for Dependent Children, The Catholic Charities Agent and the Probation Officer, through whose excellent service and tireless efforts many homes, on the verge of breaking-up, have been rehabilitated and the children thereof afforded the opportunities and the advantages to which they are justly entitled. The Court gratefully recognizes its indebtedness to these agencies for the many comprehensive reports on the history of families and children coming before it, which have proved of great value in the disposition of these cases.

A notable feature of the year's activities is the marked success of the probation cases. The Court has frequently used this form of disposition during the past year and has had but one case returned for commitment. Not only does this establish the wisdom of the law permitting probation but also, it makes manifest the industry and skillful guidance given by our Probation Officer.

Respectfully submitted,

JOS. M. FOWLER,
Judge of the Children's Court
of Ulster County.

We further recommend that the County Superintendent of Highways, by reason of the additional duties imposed upon his office under the Highway Law, as amended, be authorized to employ such laborers as may be necessary in connection with his office. That the employment of said additional laborers contemplated in this paragraph shall be at such wages or compensation as shall be fixed by the County Superintendent of Highways, but that such employment of laborers shall not exceed for all of said services the sum of $3,000.00 for the calendar year and that the said sum of $3,000.00 is hereby recommended to be raised upon the taxable property of the County of Ulster for the purpose of paying the compensation of such additional laborers.

Where the clerks in the County Clerk's Office are divided into Grades "A", "B", "C", "D", "E", and "F", Grade "A" shall be composed of such clerks as have had not less than five years experience in the positions which he or she occupies; Grade "B" shall be composed of such clerks as have not less than four years experience, nor more than five years experience in the position which he or she occupies; Grade "C" shall be composed of all clerks in such office as have had not less than three years experience, nor more than four years experience in the position which he or she occupies; Grade "D" shall be composed of all clerks in such office as have not less than two years experience, nor more than three years experience in the position which he or she occupies; Grade "E" shall be composed of clerks in such office as have had not less than one years experience, nor more than two years experience in the position which he or she occupies; and Grade "F" shall be composed of clerks having less than one year's experience in the position which he or she occupies. The salary of the clerks as herein graded shall be as follows:

Grade "A"	$1,200.00 per year
Grade "B"	1,100.00 per year
Grade "C"	1,000.00 per year
Grade "D"	900.00 per year
Grade "E"	825.00 per year
Grade "F"	720.00 per year

On or before January 1st, 1931, the County Clerk shall certify to the County Treasurer the number of clerks in each of the several grades hereinbefore mentioned, and the County Treasurer shall continue to pay such clerks in accordance with such certificate until the County Clerk certifies that any particular clerk shall have become entitled to be classified in a different grade, by reason of period of service, and upon filing of such a certificate, the County Treasurer shall thereafter pay in accordance with the salary prescribed for such grade.

The word "recording clerk" as used with relation to the County Clerk's Office shall not limit the scope of the employment of the clerks to recording of instruments, and it shall be the duty of such clerks to perform any duty in relation to the office which may be designated by the County Clerk irrespective of the title given them in this report.

The salary of the County Judge and the Judge of the Children's Court has been fixed at $6,200.00; of this amount $5,000.00 is the salary of the County Judge as fixed by law, and $1,200.00 is fixed as his salary as Judge of the Children's Court.

We, therefore, recommend that there be appropriated and that there be assessed and levied upon the taxable property of the County of Ulster, the following amount, to-wit: $89,395.41 which amount together with the amounts heretofore transferred by this Board to the salary account of the several County offices and employees will be sufficient to meet the salaries required to be paid during the ensuing year, and herein recommended.

We further recommend that there be appropriated and assessed and levied upon the taxable property of the County of Ulster in addition to the amount above stated the sum of $1,650.00 to pay the salaries of the Deputy Clerk and assistant clerks of this Board authorized by a resolution adopted January 10, 1930.

We further recommend that in addition to the amount above stated, there be appropriated and assessed and levied upon the taxable property of the County of Ulster, outside of the City of Kingston, the sum of $5,900.00 to pay the salaries of the County Commissioner of Public Welfare, Deputy County Commissioner of Public Welfare, and County Sealer of Weights and Measures.

We further recommend that the salaries of the County Treasurer and County Clerk, as fixed by this report, shall be in full for all services rendered by them as County Treasurer and County Clerk, and that they shall not be entitled to any additional fees, and all fees collected by the County Treasurer and County Clerk shall be paid over to the County of Ulster and become a part of the General Fund.

By reason of the provisions of the Old Age Pension Law, enacted by the Legislature in 1930, provision must be made for the employment of a Deputy Commissioner of Public Welfare to administer the Old Age Relief Law, and we recommend that his salary be fixed at $2,200.00 as hereinbefore set forth, which is to be levied and assessed upon the taxable property of the County of Ulster, outside of the City of Kingston.

We further recommend that the position of Clerk, Grade E, be created in the Sheriff's office, in order to take care of the increasing amount of clerical work in said office and that the position of cook be created in said Sheriff's Office and also that the position of Assistant Clerk be created in the Board of Elections.

All of which is respectfully submitted.

REPORT OF COMMITTEE ON PURCHASE OF RIGHTS OF WAY. ARMORY SITE.

To the Honorable Board of Supervisors of the County of Ulster:

Gentlemen: Your Committee on the Purchase of Rights of Way, to which was referred the requisition of the Adjutant General of the State of New York, for the acquiring of a portion of the William D. Brinnier, Jr. property at the northerly end of Manor Avenue in the City of Kingston, N. Y., do respectfully report as follows:

That your Committee has made a careful examination of the proposed armory site by personal inspection of the premises in question and has given the matter careful attention at several meetings of the Committee held for the purpose of considering the same. Under the Military Law, the Board of Supervisors is not given any discretion as to the selection of a site, the State Military Law providing that the Board of Supervisors must acquire the lands designated and described by the Adjutant General of the State of New York in his requisition. Your Committee negotiated with Mr. William D. Brinnier, Jr., as to the price of the land in question and the best offer that your Committee has been able to obtain for the conveyance of the same is $35,000.00, which offer was submitted orally.

We further find that the parcel of land designated by the Adjutant General is so situate that no sewage facilities are available and that it is unlawful to empty any sewage into the Esopus Creek which is located a short distance from the property in question.

The only buildings on the land described in requisition is a grand stand used in connection with the race track, a portion of which is located on the lands in question.

We further find that the City of Kingston has water pipes running across the land described in the requisition, which are used for the purpose of supplying the said City of Kingston with water and that the said City has an easement in a portion of the lands herein, permitting it to maintain its water pipes across said lands. This is a right which, in our opinion, cannot be extinguished or cut off by condemnation proceedings.

Under the terms of the requisition of the Adjutant General, it would be the duty of the County of Ulster to provide title free and clear of all encumbrances, liens or easements. With this legal requirement in mind, it is not advisable for the County of Ulster to acquire these lands by condemnation and then be met with an objection on the part of the Attorney General or Adjutant General that they will not approve of the title, due to the easement of the City of Kingston, permitting it to maintain water pipes upon the property in question and to repair the same.

An arrangement was made on behalf of your Committee, whereby the Adjutant General was to send a letter to your Honorable Body stating that the State would be willing to accept the lands described in the requisition, subject to the water pipe line easement of the said City of Kingston, and that such letter would be in the hands of your Committee today. Your Committee was advised late this afternoon by a representative of the Adjutant General that he would not place such a waiver in writing. The Adjutant General's failure so to do leaves the County in the position whereby it may go on and acquire the lands described in the requisition and then be faced by a refusal to approve title upon the part of either the Adjutant General or the Attorney General of the State and thus the County will have expended the taxpayers' money without having accomplished any results whatsoever except having a piece of land on its hands. The title to these lands would have to be taken in the name of the People of the State of New York which, as above set forth, necessitates the approval of title by the Attorney General and the Adjutant General.

Your Committee therefore recommends that it be the sense of the Board of Supervisors that it is ready and willing to acquire the Armory site designated in the requisition provided satisfactory assurance in writing be received by the Board, expressly stating that the lands will be accepted by the State of New York subject to the said water pipe line easement herein described.

In our opinion, the price asked by the owner of this land is excessive and we do, therefore, recommend that the lands described in the requisition be acquired for armory purposes, subject to the pipe line easement of the City of Kingston for water supply purposes, by condemnation proceedings.

All of which is respectfully submitted.

The communication of the County Treasurer, which was referred to this Committee, and which we find from the books of the County Treasurer to be correct, shows that the County Treasurer has paid out on behalf of the County of Ulster the sum of $107,578.02 for the cost of construction of State and County Highways during the past year, as follows:

Napanoch-Montela, Road No. 603	$ 3,563.31

Total amount paid out	$107,578.02

All of which is payable by the County at large.

The records of the Board of Supervisors show, that, of the said amount, there has already been raised during this year and included in this year's levy the sum of $3,344.09, to-wit: $1,424.02 for the High Falls-Stone Ridge Road No. 1464, and $1,920.07 for the Kingston-High Falls Road No. 229; which sum should be deducted from the said amount of $107,578.02, leaving the net amount to be raised $104,233.93.

We, therefore, recommend that the said sum of $104,233.93 be assessed and levied upon the taxable property of the County of Ulster, and paid to the County Treasurer of Ulster County, to reimburse the County Treasury for the amounts so paid out during the past year.

To the Board of Supervisors of Ulster County:

Gentlemen: Your Committee on Town and County Accounts reports, pursuant to Section 3, Rule 4 of this Board, the following amounts to be raised by the respective Towns and the City of Kingston to reimburse the County Treasury for the amounts paid out on account of Lunacy Examinations; and the amounts to be raised by the respective Towns for expenses in fighting Forest Fires, to-wit:

That we have examined the report of the County Treasurer, relative to the amounts paid out during the past year for Lunacy Examinations, which was referred to us, and we find from the books of the County Treasurer that the same is correct; and we find that the County Treasurer has paid out on behalf of the respective Towns, the City of Kingston and the County of Ulster for examinations in Lunacy, the following amounts:

Esopus	$ 30.00	Rochester	$ 20.00
Gardiner	20.00	Rosendale	40.00
City of Kingston	290.00	Saugerties	180.00

Marlborough	60.00	Woodstock	20.00
New Paltz	50.00	County of Ulster	60.00
Total			$ 960.00

We, therefore recommend that there be assessed and levied upon the taxable property of the said Towns, the City of Kingston and the County of Ulster the amounts above set forth, necessary to reimburse the County Treasury of Ulster County on account on such payments.

That we have examined the statements of the State Conservation Commission as to the amounts chargeable to the several Towns of the County for expenses in fighting forest fires, which were referred to us, as follows:

Denning	$ 7.80	Plattekill	$ 13.18
Esopus	408.43	Rochester	2,712.69
Gardiner	28.17	Rosendale	237.95

and we find the same correct; all of which said amounts the several Towns have agreed to pay out of moneys on hand, except in the case of the Towns of Denning, Esopus, Kingston, Marbletown, New Paltz, Olive, Rochester, Saugerties, and Shandaken, in which said Towns it will be necessary to raise the amounts by a tax levy.

We, therefore, recommend that there be assessed and levied upon the taxable property of the Towns of Denning, Esopus, Kingston, Marbletown, New Paltz, Olive, Rochester, Saugerties, and Shandaken the amounts payable by said respective Towns, above set forth, and that the same be paid to the Supervisor of said respective Towns, to be paid by said Supervisor to the Conservation Commission of the State of New York for expenses of fighting Forest Fires.

REPORT OF COMMITTEE ON TOWN AND COUNTY ACCOUNTS; BOARD OF CHILD WELFARE.

To the Board of Supervisors of Ulster County:

Gentlemen: Your Committee on Town and County Accounts reports as follows:

We have examined the report of the Ulster County Board of Child Welfare for the year ending October 31st, 1930, which was referred to us, and we find the same correct except in the case of the charge against the Town of Gardiner of the sum of $390.00. Robert G. Groves, County Attorney, after investigation, has rendered his opinion that said charge against the Town of Gardiner is not a legal charge against said Town, but that said sum of $390.00 is a legal charge against the Town of Plattekill, and should be levied upon the Town of Plattekill. Said opinion of the County Attorney is hereto annexed, and forms a part of this report.

We have determined from said report, and from the said opinion of the County Attorney that the actual expenses for the relief of widowed mothers and their children in the several Towns, and the City of Kingston are as follows:

Town of Esopus	$ 1,880.00
Town of Kingston	360.00
City of Kingston	5,375.00
Town of Lloyd	550.00
Town of Marbletown	490.00
Town of Marlborough	900.00
Town of New Paltz	240.00
Town of Plattekill	390.00
Town of Rochester	1,065.00
Town of Rosendale	810.00

Town of Saugerties	3,534.00
Town of Shandaken	665.00
Town of Ulster	660.00
Town of Wawarsing	540.00
Town of Woodstock	975.00
Total	$ 18,434.00

Pursuant to the resolution adopted by the Board of Supervisors of Ulster County, on December 8th, 1920, the amounts expended for the relief of widowed mothers and their children in the several Towns, and the City of Kingston are chargeable against such Towns and the City of Kingston.

We, therefore, recommend that the several amounts above set forth be levied and assessed upon the taxable property of the several Towns and the City of Kingston, as above set forth, and paid to the County Treasurer of Ulster County, to be credited by him to the Fund for the Board of Child Welfare of Ulster County.

We also recommend that there be assessed and levied upon the taxable property of the County of Ulster the sum of $1,600.00, and paid to the County Treasurer of Ulster County, to be by him credited to the Fund for the Board of Child Welfare, and that said Board be authorized to expend from said sum, when raised, the following amounts for the following purposes, to-wit:

For rent of office	$ 600.00
For travel and incidental expenses	1,000.00

We further recommend that there be assessed and levied upon the taxable property of the County of Ulster the sum of $1,000.00, the same when collected to be paid to the County Treasurer of Ulster County, to be by him credited to the Fund for the Board of Child Welfare, to be expended by said Board for the relief of children and their custodians, as provided by Sub-division 9 of Section 153 of the General Municipal Law.

All of which is respectfully submitted.

OFFICE OF
BOARD OF SUPERVISORS OF ULSTER COUNTY

Kingston, N. Y., December 5th, 1930.

Henry R. DeWitt, Esq.,
Clerk, Board of Supervisors,
Kingston, N. Y.

Dear Sir:

In the report of the Board of Child Welfare it appears that the support of the children of Anna O'Neil is set forth as a charge against the Town of Gardiner. The Committee has requested me to ascertain if this is a legal charge against the Town of Gardiner. It appears that the residence of the widow in question at the time of the application for relief was the Town of Plattekill and in my opinion the widow in question did not obtain settlement in the Town of Gardiner and accordingly the support for children should be charged against the Town of Plattekill.

Your very truly,

R. G. GROVES.

REPORT OF THE COMMITTEE ON TOWN AND COUNTY ACCOUNTS, FINN AND EVANS CLAIMS.

To the Board of Supervisors of the County of Ulster:

Gentlemen:

Your Committee on Town and County Accounts respectfully reports as follows:

Your Committee has examined into the claim presented by George Finn, as Administrator of the Estate of Maude I. Finn, deceased, against the Town of Gardiner, the County of Ulster and the State of New York, and also in the matter of the claim of Henry Evans against the Town of Gardiner, the County of Ulster and the State of New York. From our investigation and examination of these claims, we are of the opinion that the same should be disallowed and, therefore, recommend to your Honorable Body that said claims be rejected.

REPORT OF COMMITTEE ON TOWN AND COUNTY ACCOUNTS, ALEXANDER SPEERS' APPEAL.

To the Board of Supervisors of the County of Ulster:

Gentlemen: Your Committee on Town and County Accounts makes the following report:

Alexander Speers, a Justice of the Peace of the Town of Ulster, filed an appeal from the audit of the Town Board of the Town of Ulster, made during November, 1930, with the Board of Supervisors pursuant to the provisions of the Town Law. The amount claimed in the bill of said Mr. Speers for services rendered in criminal matters amounted to $1,248.65 and the Town Board, in its audit, allowed the sum of $1,066.85. The amounts disallowed being for days in court on days in which more than one case was before him. The audit, as made by the Town Board, contemplated an allowance for one day in court and if there were additional cases, no allowance was made for any case except one.

Your Committee duly met, pursuant to notice, on the 9th day of December, 1930, at 2:00 o'clock P. M., and was attended by County Attorney Robert G. Groves and by Mr. Speers and his attorney, Robert Howard. The only question on this audit being whether or not a Justice of the Peace sitting as a court of special sessions was entitled, where he had more than one case in a day, to a separate day in court for each case.

The State Comptroller in the motor vehicle cases, which are paid for by the State, has adopted the practice of allowing a justice one day's court in each case irrespective whether there is one case or more on a given day, and the Comptroller's office advises that an allowance be made in Justices' bills in accordance with the practice followed by the State in motor vehicle cases. Accordingly, it would appear that the full amount of the claim of Mr. Speers, as presented to the Town Board of the Town of Ulster, namely, $1,248.65 should be allowed and your Committee respectfully recommends that the bill of Mr. Justice Speers be allowed at $1,248.65, being the amount of the claim as presented to the Town Board and that the determination of the Town Board of the Town of Ulster be modified as herein indicated.

All of which is respectfully submitted.

Dated, Kingston, N. Y., December 10th, 1930.

1930.
REPORT OF COMMITTEE ON COUNTY TREASURER AND SEALER.

To the Board of Supervisors of Ulster County:

Gentlemen: We have examined the annual report of Herbert E. Thomas, County Treasurer of Ulster County for the year beginning

November 1st, 1929, and ending October 31st, 1930, and upon comparing same with the books of the County Treasurer's office, we find said report to be correct.

We have examined the report of the County Treasurer as to the bonded debt of the County, and we find same correct, with a total bonded debt of only $45,000.00 as of November 1st, 1930.

We recommend that the sum of $35,0000.00 be raised and appropriated for the Court and Jury Fund for the coming year; that the sum of $2,903.25 be raised to pay Ulster County's share of the State Employees' Retirement Fund for this year; that $1,000.00 be raised and appropriated for printing the proceedings of this Board for the year 1930; that the sum of $1,500.00 be raised and appropriated for paying bounties on foxes, bob-cats and jack rabbits. That it will not be necessary to raise anything for burial of deceased Soldiers and Sailors, since, in our opinion, there is enough money on hand for that purpose.

We recommend that the sum of $5,112.50 be raised and appropriated to pay General Fund Bonds and interest falling due in 1931, and that the further sum of $11,575.00 be raised and appropriated to pay Highway Bonds and interest falling due in 1931.

The books of the County Treasurer show that he has received the sum of $11,946.75, being receipts of the County Clerk's office, and the further sum of $326.50, being the receipts of the Sheriff's office for transporting prisoners, and we recommend that these two amounts be transferred to the salary accounts of these respective offices, to apply on salaries for the coming year.

The books of the County Treasurer's office show credit balances in the following accounts for the amounts set forth, and we recommend that the County Treasurer be empowered and directed to transfer these amounts to the General Fund of the County.

Marriage License Fees	$ 1,148.00
Returned Tax Expenses	10,425.18
Returned School Tax Fees	3,937.36
County Treasurer's Fees, reverting to the County	7,058.31
Fines	1,000.00
Railroad School Taxes	209.42
Revolver Permits	272.00
Real Estate Agents License Fees	287.75
Total	$ 24,338.02

We have examined the bills presented to us and have audited the same as appears by the annexed abstract, that each of said bills is a just and legal charge against the County of Ulster, and the County of Ulster outside the City of Kingston to the amount indicated in the column headed "Allowed," and your Committee, therefore, recommends that each of said bills and claims be audited and allowed at the amount so indicated on the abstract hereto annexed and made a part hereof.

Whole amount claimed	$395.36
Whole amount allowed	395.36

Which amount should be apportioned, and assessed and levied as follows:

On the County at large	$105.00
On the County outside of the City of Kingston	290.36
Total	$395.36

All of which is respectfully submitted.

REPORT OF THE COMMITTEE ON SUPERINTENDENT OF THE POOR.

To the Board of Supervisors of Ulster County:

Gentlemen: Your Committee on the Accounts of the County Commissioner of Public Welfare reports as follows:

We have examined the accounts and vouchers and the annual report of William W. McElhone, County Commissioner of Public Welfare, which were referred to us, for the current year, and have found them correct, and they are filed herewith and form a part of this report.

Your Committee further reports that they have visited the County Home at different times during the year, and have recommended repairs and improvements.

We find that the cost of maintenance to the several Towns of the County, and the County of Ulster outside of the City of Kingston for the past year, as apportioned by the County Commissioner of Public Welfare, was as follows:

Denning	$ 1.32	Plattekill	$ 230.90
Esopus	229.90	Rochester	176.88
Gardiner	214.28	Rosendale	299.64
Hardenbergh	240.90	Saugerties	304.26
Hurley	113.08	Shandaken	195.80
Kingston	Nothing	Shawangunk	127.60
Lloyd	603.60	Ulster	498.30
Marbletown	726.04	Wawarsing	789.80
Marlborough	691.46	Woodstock	187.78
New Paltz	628.26	County outside of City	415.36
Olive	25.08		
Total			$6,700.24

We, therefore, recommend that said amounts be assessed and levied upon the taxable property of the said several Towns, and the County of Ulster outside of the City of Kingston, as above set forth.

We further recommend that there be assessed and levied upon the taxable property of the County of Ulster outside of the City of Kingston for the ensuing year, and for the following purposes, the following amounts:

For support of County paupers, upkeep of buildings, and salaries at County Home and Hospital	$ 15,000.00
For repairs and improvements	3,500.00

We find from the report of the County Commissioner of Public Welfare that there has been expended during the past year for the care and maintenance of children in the Industrial Home of the City of Kingston, and in Boarding Homes on behalf of the several Towns, and the County of Ulster outside of the City of Kingston, the following amounts, to-wit:

Gardiner	$ 24.41	Saugerties	$ 208.53
Lloyd	898.75	Shandaken	407.27
Marbletown	212.00	Shawangunk	105.00

Rochester	780.68	County outside City	373.10
Rosendale	260.00		
Total			$6,996.32

With a credit balance of $879.91.

We, therefore, recommend that the several amounts above set forth, together with the additional sum of $1,003.68 be assessed and levied upon the taxable property of the said several Towns, and the County of Ulster outside of the City of Kingston, and paid to the County Treasurer of Ulster County, to be by him placed to the credit of the County Commissioner of Public Welfare, to pay bills of the Industrial Home of the City of Kingston, and Boarding Homes during the coming year.

Your Committee further reports that we have examined all claims and accounts of the various Asylums, Hospitals, and Institutions presented against the County of Ulster, the several Towns, and the City of Kingston, for the year 1930, and find the amount due such institutions, as appears by the annexed Abstract, to be the sum of $4,052.00; that each of said claims, in the opinion of your Committee, is a just and legal charge against the County of Ulster outside of the City of Kingston, the several Towns, and the City of Kingston to the amount indicated in the column headed "Allowed", and your Committee, therefore, recommends that each of said claims and bills be audited and allowed at the amounts so indicated on said Abstract hereto annexed and made a part hereof.

Which sum of $4,052.00 should be apportioned and levied as follows:

On the Town of Denning	$ 243.86
On the Town of Gardiner	518.92
On the Town of Kingston	32.99

Total	$4,052.00

Your Committee, therefore, recommends that the County Commissioner of Public Welfare be empowered to contract with the Industrial Home of Kingston, N. Y., for the coming year, and that there be assessed and levied upon the taxable property of the County of Ulster outside of the City of Kingston the sum of $1,003.68 to pay bills for the ensuing year presented by the Industrial Home of Kingston, N. Y., pursuant to contract, and to pay bills of Boarding Homes, which amount, together with the amounts hereinbefore assessed and levied upon the various Towns, and the County of Ulster outside of the City of Kingston will be sufficient for the purpose; that the sum of $4,052.00 be assessed and levied upon the taxable property of the City of Kingston and the various Towns set forth for the payment of the bills set forth in the Abstract hereunto annexed; that the said sum of $6,700.24 be assessed and levied upon the taxable property of the various Towns of the County, and the County of Ulster outside of the City of Kingston, in accordance with the apportionment hereinbefore set forth for the cost of maintenance of the paupers of the several Towns and the County; and that the sum of $18,500.00 be assessed and levied upon the taxable property of the County of Ulster outside of the City of Kingston for the maintenance of the County Home.

NEW PALTZ.

Settled in the year 1677. Twelve persons purchased of the Esopus Indians a tract of land twelve miles square, for which they obtained a patent during the administration of Governor Andros. These persons were the Twelve Patentees, and they and their successors in office, duly elected by their descendants exercised the functions of officials in all public matters until about the year 1751. These officials were sometimes called "The Dazine," or "Twelve Men," and were annually elected for a long period after the first regular election of town officers. The original patentees were Lewis DuBois, Christian Deyo, Abraham Hasbroucq, Andries Lefever, Jean Brocq, Pierie Deyo, Lawrence Beverie, Anthony Crespel, Abraham DuBois, Hugo Frere, Isaac DuBois and Simon Lefever. The first record of the election of town officers dates in the year 1751. A part of Hurley was annexed February 2, 1809.
